**Re: Application for Consent to Transfer Control of International Section 214 Authorization, GN
Docket No. 21-112**

Dear Ms. Dortch:

On September 23, Hans Vestberg, Chairman and CEO of Verizon Communications, and Craig Silliman, Chief Administrative Officer of Verizon Communications, spoke with Acting Chairwoman Jessica Rosenworcel and her Acting Legal Advisor for Wireless and Public Safety, Ethan Lucarelli, regarding Verizon's acquisition of TracFone. Mr. Vestberg and Mr. Silliman described how a combined Verizon and TracFone will better serve existing and potential TracFone customers and will increase facilities-based competition in the prepaid segment for value-conscious customers and for Lifeline customers. They reiterated that Verizon is firmly committed to TracFone's Lifeline services and consumers, and looks forward to fulfilling the commitments on Lifeline it has previously made to the Commission.

Pursuant to Section 1.106 of the Commission's rules, a copy of this letter is being submitted in the record of this proceeding. Please contact the undersigned with any questions.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "William H. Johnson".
